

Mayor's Youth Advisory Council

Don Walters, Mayor

The Cuyahoga Falls Mayor's Youth Advisory Council is a unique collaboration between the Mayor's Office and our future leaders of Cuyahoga Falls. The program is designed to encourage students to become active in their local government and in their community by sharing ideas and offering input on important topics that might otherwise go unheard. The purpose of the program is to provide an opportunity for the Mayor to interact with an important segment of society and encourage dialogue that can benefit our youth as well as the city as a whole. The MYAC will also be involved with and participate in City Council meetings to obtain up-close and personal insight regarding how our local government works.

Mayor Don Walters is seeking energetic, engaged students who reside in Cuyahoga Falls and are in grades 9 through 12. The council will consist of eight students who will see first-hand how our local government works by witnessing the process in action. The MYAC meetings will be held on the first and third Mondays of each month beginning February 5, 2024, from 5:15 p.m. to 6:15 p.m. prior to the actual City Council meetings, which begin at 6:30 p.m. If Monday is a holiday, the meeting will be held on Tuesday. The youth will occupy the actual seats of the City Council members during the dialogue sessions with the Mayor and are encouraged to participate in the City Council Committee Meetings immediately following. The meetings are held in the Natatorium Meeting Room.

Each MYAC group will serve for a period of approximately four months and parental permission is required. Candidates should be trustworthy, honorable, and eager to serve as an ambassador representing the youth of Cuyahoga Falls for the betterment of all.
