

American Municipal Power (AMP) **2025 Richard H. Gorsuch Scholarship Program**

Purpose

To establish an educational program encouraging high school students in AMP member communities to further their education, and to create an awareness of careers in the municipal electric utility field.

Awards

There are up to five, one-time scholarship awards of \$3,000 each.

Rules and Eligibility Requirements

The following provisions will govern the acceptance of an applicant:

- Nominee must be a student whose parent or guardian is an employee of AMP or an AMP member. If the parent or guardian is an employee of an AMP member, that parent or guardian must:
 - Work directly for, or provide management or leadership of, the electric utility, electric utility department, or joint action agency; or
 - Spend at least 30% of their time directly supporting electric utility operations.
- Nominee must be a graduating senior who has met all the basic requirements for college or technical school entrance and has a cumulative, unweighted grade-point average of 3.0 or better on a 4.0 scale.
- Prior to receiving an AMP scholarship check, scholarship recipients must offer proof of enrollment at an accredited college, university or technical school for the next fall semester or quarter, unless an extension of time is granted. A time extension will be granted only if “just cause” is determined. In the event that a student is unable to fulfill his or her enrollment obligations under this program, the award is forfeited and may be reassigned to another nominee by the AMP President/CEO. A check for the award will be written jointly to the recipient and the post-secondary school, or as a circumstance dictates.
- Completed nomination forms must be completed by the member electric utility or joint action agency and must be received on or before Dec. 9th, 2024.
- A high school transcript, showing the nominee’s cumulative grade-point average on an unweighted 4.0 scale for six semesters, must be received via email, fax or mail on or before Dec. 9th, 2024.
- There shall be no more than one Gorsuch nominee per AMP member.

Please observe all deadlines.

Cuyahoga Falls Electric System/American Municipal Power (AMP)
2025 NOMINATION APPLICATION – Richard H. Gorsuch Scholarship

Student name _____ Date _____
Last First MI

Address _____
Street City State Zip

Telephone _____ Email Address _____ Birthdate ____/____/____
